Sifu's Corner

As we come into Fall, I am filled with a deep sense of gratitude.

Thanks to our instructors, Mr. Nos, Mr. Baldwin, Ms. Marquez, Mr. Creger and Mrs. Smith our academy continues to serve at the highest level, and my family and I are healthy and well.

I am specially happy to have Mrs. Marquez join us as a full time instructor.

To be a culture that makes an impact on the community and the world is a big part of our purpose at Zai Martial Arts and that is why I am excited about all of the community events we have lined up.

I would also like to say how proud I am of everyone who is testing for their Jr. and 1st degree black belt. I challenged all of you for the better part of four months to prepare for the test and you inspired me every step of the way. They say 1 out of 10,000 people will make it to black belt, so you are truly unique individuals.

Lastly, I would humbly request for your continued support in helping us fulfill our purpose of helping people live better lives. Nothing says more about a business than word of mouth referrals. Please share the benefits of our great programs and services with everyone you know if you believe we have earned it.

You can find 7 day FREE guest passes at the academy, please hand them out to whomever you wish.

With Much Gratitude,
Sifu Zai
