Sifu's Corner

Amazing. Another year has passed. How often I have heard people say, "I survived the holidays." For me, I do not want to survive it, I want to live each moment of it with a sense of gratitude. I want to be fully present with every person I am blessed to share life with.

As I reflect upon 2016, I have so much to be grateful for. First of all, to my wife and children, you are my heart. To the parents, students, and members, you give me purpose and allow me to live my passion. To my staff, I would like to thank each and every one of you for sharing in and helping me fulfill my vision. I am so proud of my team and they are the heart and soul of Zai Martial Arts.

On behalf of everybody at Zai Martial Arts, we are grateful to contribute to helping so many of you live better life. We thank you for your trust and patience as we strive to be a better Martial Arts school and community. Your commitment to being your best is the driving force behind Zai Martial Arts.

Happy holidays,

Sifu Zai
