Happy 22nd Birthday Zai Martial Arts!

I can't believe we have been serving the Reno community for that long. We are humbled and grateful to have made a difference in so many people's lives over the years.

We thank those who have chosen Zai Martial Arts to help live their best lives.

We will continue to dedicate ourselves to serving you and we will always strive to do and be better.

We are grateful to each and everyone of you who have helped to share our unique culture and brand of service with the Reno community. It is because of your support and referrals that makes us one of the top schools in the area and all of our programs are flourishing. We will continue to constantly improve upon everything we do to better serve you.

I am also very grateful to all of our instructors, what we do could be possible without their hard work and dedication.

Again we thank you humbly for your continued support and understanding. Happy 22nd Anniversary to Zai Martial Arts San. We look forward to serving you for many years to come.

Much respect,

Sifu Zai
