## Sifu's Corner

Zai Martial Arts celebrates 22 years of serving the Reno community. We are humbled and grateful to have made a difference in so many people's lives over the years. We thank those who have chosen ZMA to help live their best lives. We will continue to dedicate ourselves to serving you and we will always strive to do and be better.

It is because of your support and referrals that makes us one of the top schools in Northern Nevada, We will continue to constantly improve upon everything we do to better serve you.

Summer is almost here and that means the kids are out of school for almost three months. We hope you keep them healthy and strong by continuing to attend classes on a regular bases.

We are also excited to offer our Super Summer Contest where you can earn valuable prizes for working out, attending classes and events. We support you in living your best life through our programs, so get in there and you could win big!

We also invite all our moms to commit to working out more this summer in our kickboxing classes. Remember to treat yourself well by living a healthy lifestyle because you deserve it. Again we thank you humbly for your continued support and understanding. Happy 22nd Anniversary to Zai Martial Arts Academy.

Much respect,

Sifu Zai
